

Molding Moral Males “M3” Community Collaboration for Educational Enrichment

Introduction:

HERE COMES **MOLDING MORAL MALES “M3”** AFTERSCHOOL ENRICHMENT PROGRAM! After a successful 3 year SUMMER Enrichment Program, M3 is proud to announce our expansion into what we call an Extended Day Program. During the summer of 2018, Molding Moral Males (M3) Enrichment program established a community partnership with Trinity Life Center Church via the THRIVE Youth Ministry. The focus of the partnership is to provide programs to enrich the care and education of youth after the school day. **M3 Extended Day** is a community-based afterschool program for elementary and middle school youth that offers programming year-round in a warm, caring environment beyond school hours where your children have the opportunity to play and get homework out of the way before the family sits down to dinner☺.

- Affordable after-school care in a safe environment
- Experiences linking education, enrichment, and physical fitness
